† All papers published in the volume are presented at the 17th International Workshop on Advanced Infrared Technology & Applications, 10–13 September 2023; Available online: <https://aita.isti.cnr.it>.

In submitting conference proceedings to *Engineering Proceedings*, the volume editors of the proceedings certify to the publisher that all papers published in this volume have been subjected to peer review administered by the volume editors. Reviews were conducted by expert referees to the professional and scientific standards expected of a proceedings journal. The single-blind review was performed on the conference management platform (<https://eventi.rsi.cnr.it/e/AITA2023>, accessed on 15 September 2023). The number of received submissions is 51, with 49 accepted submissions (96% acceptance rate). The average number of reviews per paper is three, and the total number of reviewers involved is 22 from 12 different institutions.

Conflicts of Interest: The authors declare no conflict of interest.

Disclaimer/Publisher's Note: The statements, opinions and data contained in all publications are solely those of the individual author(s) and contributor(s) and not of MDPI and/or the editor(s). MDPI and/or the editor(s) disclaim responsibility for any injury to people or property resulting from any ideas, methods, instructions or products referred to in the content.
