Guide to Good Practices and Resources in Grey Literature

"GreyGuide offers information professionals, practitioners, and students common ground for good practice in grey literature"

In December 2013, the GreyGuide Project was formerly launched as an online forum and repository of good practice in grey literature.

Open Source Repository of good practices in the field of grey literature. That which originated in monographic form is now open and expanded to include content from the global grey literature community

The GreyGuide will provide a unique resource in the field of grey literature that is long awaited and which responds to the information needs of a diverse, international grey literature community.
