Peer Review Policy

Peer-review is the cornerstone of the scientific evaluation of a book. All FUP’s publications undergo a peer-review process by external experts under the responsibility of the Editorial Board and the Scientific Boards of each series (DOI 10.36253/fup_best_practice.3).

Referee List

In order to strengthen the network of researchers supporting FUP’s evaluation process, and to recognise the valuable contribution of referees, a Referee List is published and constantly updated on FUP’s website (DOI 10.36253/fup_referee_list).
